Dear Jake,

Thank you so much for showing us a wonderful time today. Also thank you for showing us two wonderful movies today. My favorite movie was the Tramye L'Oiel. But my favorite part over there was when I met the new people there. My favorite person there was Jake and I pick Jake because he is fun, funny and pashinte. But I enjoyed the people helping me and I enjoyed the comedy chairs too.

My favorite activity was when we were making our own stories. Also I liked the popcorn the popcorn where really tasty.

Dear Jake,

Thank you so much for having my class go to visit the cinema. I enjoyed the films + we watched a lot! I especially liked "Trompe L'oeil." Thank you for letting me work with Lauren, Micky, and Jennie. I liked the popcorn it tasted like cheddar cheese. But it really smelled like butter. The story Lightning Bolt was marvelous. The best part of the day was being at the Amherst Cinema

theater. We wrote a story based on a theme. The poem forest was delightful. The poem we wrote was based on a word. I heard noises, I touched paper, clipboard and pencils. I saw the movies My Life With the Wave. I especially saw Trompe L'oeil. You were really a good facilitator Jake. I can't wait to go back to Amherst Cinema theater and learn more.

Sincerely,
Your Friend,
Angela Larocque.

Dear Jake,

Thankyou for invitation to the
Amherst Cinema because I really enjoyed going
to the See•Hear•Feel•Film program. My favorite part
was when we acted out the sequels to the clips
we watched. Especially because I was Alice and
Noah were making me say crazy things in my
head like, "Inger Maree was a better dancer,
and she taught me how to dance freestyle, not
over and over" Paula and Myra even mentioned
the puppy!

Sincerely
Elisa Alabo.

Dear Jake,

I was so happy to see you again. I was so happy because I was excited to see the new movies and play the new Activities. My favorite part was when we were watching movies and acting like a drummer. I had a really good time and I can't wait for next year.

Sincerely,
JUAN Sanchez

Dear Jake,
I love the movies you made for us, my favorite one is Color of Paradise. The one about the blind boy waiting for his father at the boarding school. The popcorn you gave us was absolutely delicious and my favorite part of being there was seeing my teacher pretend to be on a roller coaster. I enjoyed my time there and I wish our class can have another field trip there.

Sincerely,
Abriana Davila

Thank you for letting us visit, see, hear, feel film. I had a great time there and thank the group leaders too for helping us act out and making the movie and acting the movies out.

My favorite part was when we all got to act out on front of everybody and my other favorite part was when we ate popcorn. It was a lot of fun. Thanks you so much Jake.

Dear Amest Cinema, the feel film program was great! They talked about what the after was 'feeling' and after that they they gave us flip boards and then you plan a movie that you make with the volunteers. Then you act it out in front of everyone. There is two characters and there is two people that are of other character. The people on the side was what the person was thinking. Thank you for letting us go to Amster cinema Jake, Sinelly Madeline.
